OCTOBER EDITION 2023

Email: cfhrg55@outlook.com Ph: (07)54282018 Open Hrs Monday and Friday 9-2pm Wednesday 9-12noon

Welcome to another month and a NEW REFRESHED LOGO. Our Logo has been updated but it still reflects the Original as much as was possible.

Club Members have been busy working on the Founding Families Project and we now have more names and families added to the list. Sue has been printing sections of the Map in a larger format, A2. This is a huge task but it now means that maps are easier to read. They have been bound in a folder for easy access. Helen has been pulling midnight shifts researching and compiling. The project is moving along and with some families we can start with just one name and suddenly over just a couple of generations other families on the list all become part of that family. As was also the case in that era families were larger with children numbering in the 10's or more. Losses were also great and some of the stories are very sad when you realise how many children families lost as infants or babies. Digging deeper into these families some amazing stories and tragedies are being found and recorded.

We have been advertising and showcasing the project at every opportunity, both on social media, (checkout Our Facebook page and Councillor Mark Booth for updates) and The Village. On Tuesday 26th Sep Sue and Myself setup at the Seniors Expo hosted by Terry Young, it was a great event with a large number of people attending and lots of interest was generated. We will look at future events such as these as a way of promoting both the project and our Club.

Last week we welcomed 2 new members Mary and Sandra. Mary is very keen on family history and Sandra was drawn to us by a couple of Founding Family names that she can relate to. Happy Hunting Ladies.

SPECIAL GUESTS

A couple of weeks ago we had a visit from Denver Beenland. He is related to Helen and Phill's line and his family are on the **LIST**. He was impressed with the Club, the resources we have and he gave us some insight into the process of applying for Grants. This is an opportunity for us to get some financial support for both the Founding Families Project and any future endeavours.
