**Welcome to all and Welcome to SPRING, although as I compile this Newsletter is it a cold bleak Saturday. Lots of cloud cover and perhaps the chance of a little much needed rain.**

***AUGUST was FAMILY HISTORY MONTH and there were several events happening around the Shire, in August and September.***

***Sue and Helen & Phil attended the 43<sup>rd</sup> Villeneuve-Neurum Reunion on Sunday the 27<sup>th</sup> August. It was hosted at the Woodford Museum and it looks like it was a great day.***

***I attended a very interesting morning at the Upper Caboolture Uniting Church. We were told the History of the Church and had a chance to walk through the Grave Yard. So much work has been done to restore the Graves and the talk about several of those buried there was very interesting. It was followed by a lovely morning tea courtesy of the Church Community.***

***If you have ever wondered if there is a difference between a***

***Grave Yard and a Cemetery***

***Yes, there is***

***A Grave Yard is attached to a Church***

***A Cemetery is a place set aside to bury people***

August has been a month where we have been making some changes within the Club Rooms. We have decided to create a dedicated area that can be used by all, Members and Guests alike for the **'FOUNDING FAMILIES PROJECT'**. We have selected the area on the Eastern end of the Club Room and will have available to all the resources to research and the information we already have. Helen has been busy working on the folders for the families and they are now in a designated filing cabinet for easy access. We will have one micro fiche reader, a computer and as much resource material as we can find. We feel that having this dedicated area should help make the process of researching easier.

Again if any members are willing to help with this project it is as easy as choosing a name from the list and searching for information that we can add to their file. David has been looking into one of the families and has found some great information for us.

We have a new PATRON

**Mark Booth**

**Division 2 City of Moreton Bay Councillor**

Mark is a keen family history/ historian himself and we are pleased to welcome him as our Patron and excited to see his enthusiasm for the Club.

Checkout Mark's Facebook page (Councillor Mark Booth) to see the write up about our Club. Share and Comment to keep this page alive. Mark is also willing to help us with Community Grants and in any way that he can. His post has already generated some interest and we have been contacted by several people who have families who are part of our project.

We are hosting an OPEN DAY at the Club for people who are interested in the **'FOUNDING FAMILIES PROJECT'** a chance for people to get together and view what we already have and to bring their own research. We are still looking for Photos, Documents and Family Stories to add to each of our families.

*SAVE THE DATE: Sunday 15<sup>th</sup> October 12.30-4pm. Afternoon Tea provided.*

On Tuesday 26<sup>th</sup> September we will be setting up a display at the **Seniors Expo** hosted by **Terry Young MP Federal Member for Longman** at the Morayfield Sports Complex. This event is at no cost to us and we hope it will give us a chance to showcase our Club and our project.
